

PERSPEX[®] ACRYLIC DOMELIGHTS

Invite natural light through your roof and save energy

We offer a wide range of square, rectangular and circular Domelights for domestic, commercial and industrial roofs. Manufactured with a superior quality acrylic (Perpex[®]) and reinforced with solid fibreglass flanges, we guaranty excellent water-tightness, resistance to strong winds and outstanding weatherability.

Square Shape

- A: Size of Dome
- B: Internal Size of Domelight
- C: Size of Horizontal Flange
- D: Size of Vertical Flange
- E: Height of Dome
